**DRYING:
7KG**

Unique Selling Points

● BLACK
600*850*600mm

1. AI WASH

"AI Wash uses smart sensors to detect how heavy, delicate, or dirty your clothes are. It then automatically chooses the perfect amount of water and detergent for you."

Unique Selling Points

● BLACK
600*850*600mm

2. Auto Dispense

-  Automation
-  Calibration
-  Sensing
-  Flexible use

"It's an 'Auto-Doser': You fill the tank once a month, and the machine pours the exact amount of soap and softener for every load so you don't have to."

Unique Selling Points

● BLACK
600*850*600mm

3. Super Speed

* Based on using Super Speed at the default settings with a 5kg load.

"Get a full, deep clean in 39 minutes.

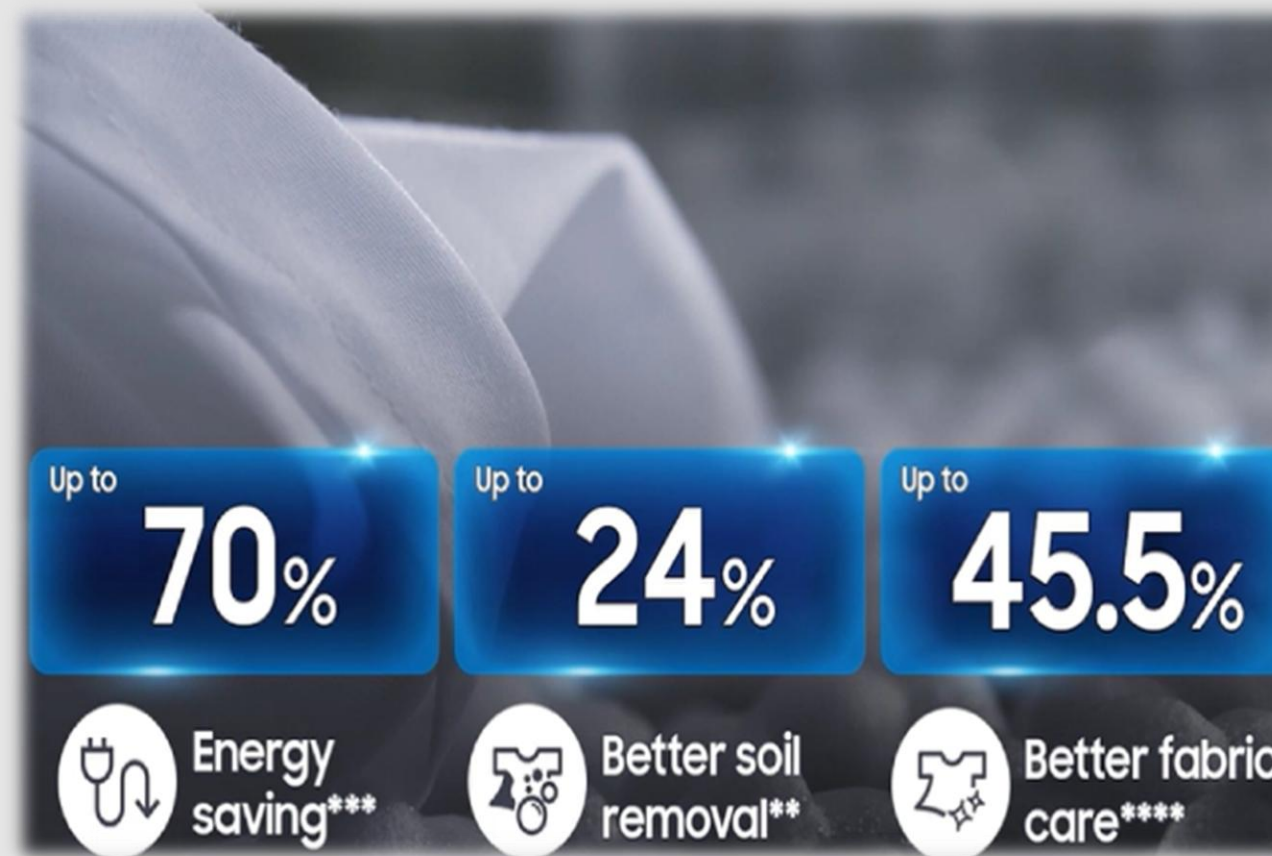

Perfect for when you need clean clothes fast without sacrificing the quality of the wash."

Unique Selling Points

● BLACK
600*850*600mm

4. AI EcoBubble

Turns soap into powerful bubbles that clean deeper—even in cold water. It 'feels' your fabrics to pick the best setting, cutting your energy bills by 70% while keeping your clothes looking brand new for longer."

Unique Selling Points

● BLACK
600*850*600mm

5. Hygiene Steam

"The Hygiene Steam cycle shoots steam up through your clothes to kill the things you can't see—like bacteria, allergens, and dust mite. It's a deep-clean 'sanitizer' for your laundry that gets rid of 99% of germs and pollen."

Unique Selling Points

● BLACK
600*850*600mm

6. Air Wash

“It uses hot air to blast away smells like smoke, food, or sweat without using a single drop of water or soap. It’s like 'dry cleaning' your favorite jacket in minutes at home.”

Unique Selling Points

● BLACK
600*850*600mm

7. SmartThings

“This is your personal laundry assistance. It tracks exactly how much electricity you're using and predicts your monthly bill, while also learning your favorite routines so it can suggest the perfect cycle the moment you turn it on.
